

Canyon AeroConnect Export and Re-Export Country Guidance

Seek authorization from Canyon AeroConnect before exporting or re-exporting under any of the situations described, or countries listed, below.

Any queries on this list must be referred to Isabel Torres-Padin (isabel.torres-padin@cobham.com) or Kurt Frohna (kurt.frohna@cobham.com)

Goods, services, software, and any related technical data ("Works") supplied by Canyon AeroConnect ("Supplier") may be subject to the export or import laws and regulations of: the United States, including without limitation the International Traffic in Arms Regulations (ITAR) (22 C.F.R. Parts 120-130), the U.S. Export Administration Regulations (15 C.F.R. Parts 730-774), and the economic and trade sanctions administered by the U.S. Department of Treasury Office of Foreign Assets Control; the European Union and its member states, including without limitation Council Regulation (EC) No. 1334/2000; and / or other countries (collectively, "Export/Import Law").

Recipient of the Works ((Recipient) accepts the conditions of this County Guidance document as one of the considerations of being supplied with the Works, and agrees to comply strictly with all Export/Import Laws applicable to the Works. Recipient shall promptly notify Supplier of any authorization requirements under Export/Import Laws that may apply to delivery of the Works to Recipient site(s).

Recipient acknowledges and agrees that the Works shall not be exported, re-exported, trans-shipped or otherwise transferred to Cuba, Iran, North Korea, Syria, Sudan, or any other countries for which the United States and/or the European Union maintains an embargo (collectively, "Embargoed Countries"), or a national or resident thereof, or to any person or entity on the U.S. Department of Treasury List of Specially Designated Nationals, the U.S. Department of Commerce Denied Parties or Entity List, or to any person on any comparable list maintained by the European Union or its member states (collectively, "Denied or Restricted Parties"). The lists of Embargoed Countries and Denied or Restricted Parties are subject to change without notice.

Recipient represents and warrants that neither it nor any of their customers or their users is located in, a national or resident of, or under the control of an Embargoed Country or similarly Denied or Restricted Party. Recipient specifically shall obtain all required authorizations from the U.S. (or EU as applicable) Government before transferring or otherwise disclosing technical data or technology (as those terms are defined in 22 C.F.R. § 120.10 and 15 C.F.R. § 722, respectively), to any Foreign Person (as defined in 22 C.F.R. § 120.16).

Recipient certifies that it:

- will not use the Works for any purpose other than its declared end-use (if so made by Recipient);
- will not transship, divert, re-export, or otherwise transfer the Works for any purpose other than the declared end-use, or to any party other than the declared end-user;
- will not use the Works or permit them to be used for any purpose connected with chemical, biological, or nuclear weapons, or for missiles or unmanned air vehicles capable of delivery such weapons;
- will not use, sell, or transfer the Works, directly or indirectly, to a Military End User or for a Military End Use in China, Russia, or Venezuela; [*Military End User includes use by the national armed services (army, navy, marine, air force, or coast guard), national guard, national police, or government intelligence or reconnaissance organizations or use by any person or entity whose actions or functions are intended to support military end uses described above; Military End Use includes any use that supports or contributes to the operation, installation, maintenance, repair, overhaul, refurbishing, development' or production of military items described on the U.S. Munitions List (22 CFR. § 126.1), or items listed on the U.S. Commerce Control List (Supplement No. 1 to 15 CFR 774) under ECCNs ending in 'oA18' or under '600 series' ECCNs*];
- will not violate the sanctions or embargoes of the United Nations or the United States;
- will ensure that neither it nor any of the parties identified Recipient's declared end-use statement nor any party to whom it may sell, re-export or transfer the Works are listed on the U.S. Department of the Treasury, Office of Foreign Assets Control's Specially Designated Nationals List, Foreign Sanctions Evaders List, Sectoral Sanctions Identifications List, Palestinian Legislative Council List, List of Foreign Financial Institutions Subject to Part 561 or the Non-SDN Iranian Sanctions Act List (the "Sanctioned Parties Lists");
- confirm that no persons or entities on the Sanctioned Parties Lists, either individually or in the aggregate, own 50 percent or more of the ownership interest in its company or in any of the parties to whom it may sell, re-export or transfer the Works; and
- will immediately notify both Isabel Torres-Padin (isabel.torres-padin@cobham.com) and Kurt Frohna (kurt.frohna@cobham.com) in writing if it cannot comply with any of the aforementioned statements.

Situation or Country

Knowledge, suspicion or disquiet that any product or service may be used for any **weapon of mass destruction** or purpose

Knowledge, suspicion or disquiet that any product or service may be used for any **missile** purpose

ITAR controlled products require a license or exception for export from the U.S. and re-export from another jurisdiction

ITAR-controlled defense services (including assistance, training, and providing technical data) requires a license, agreement, or exemption. Generally applies to both U.S. and non-U.S. items.
